

# Step 11

Message Board data base sent to Invision – will work with Invision to get Boards set up

# Step 12

## Build Forms into CMS

You should still be cleaning up pages!

# Step 13

ONE WEEK TO GO!!!

Send over fresh copy of database

# Step 14

You are creating 2 sets of pages for the last week  
– one in existing CMS and one in NHL CMS

# Step 15

DNS switched to NHL server

Time to finish the next team....
